Zero Gravity and Tilt-in-space: Create a feeling of weightlessness by elevating your legs above your upper body, with only a limited amount of space needed behind the lift recline chair

Electric Adjustable Headrest: Ensures your head and neck are always supported, ideal for watching TV, reading, or relaxing while reclined

Integrated Leg Extension: Provides improved support under the lower legs, especially beneficial for taller users

Safe and Durable: Built-in safety net prevents pets from accessing the moving mechanism, while scratch-resistant materials and protective covers help reduce everyday wear

Ergonomic Backrest: Uniquely designed to assist with lower back comfort during prolonged sitting

Stay Connected: USB-C charging ports in the handset helps power your portable devices from the comfort of your lift recline chair

Simplified Handset

Precise and Simple Backlit Handset Options: Achieve the perfect position with the precise handset. An optional simplified handset is available for basic functions

Battery Backup: Complete a lift and recline during power outages

Storage Pockets: Keep your belongings close by

Handset Loops: Ensures the handset is always within reach
