

Aspire Oslo Seat Walker

Sleek lines, elegant curves and eye-catching shades give the OSLO seat walker sophisticated poise. The aero-space grade aluminium frame is highly durable and ultra lightweight for easy manoeuvrability, folding and lifting, while tool-free adjustments can suit individual user needs.

- **Ultra-Lightweight Design:** Constructed with aerospace-grade aluminium for exceptional strength, the 6.25 kg minimum weight makes it easy to lift and transport
- **Simple to Adjust:** Tool-free handle and backrest height adjustment accommodates users of varying stature, with push-button locking for secure customisation
- **Ergonomic Comfort:** Contoured, non-slip hand grips reduce wrist strain and the backrest is height and depth adjustable for greater support
- **All-Terrain Mobility:** 20 cm puncture-resistant PU wheels with swivel front casters and fixed rear wheels for smooth manoeuvrability indoors and outdoors
- **Portable & Compact:** One-click folding mechanism collapses the rollator into a slim profile (20 cm width) for effortless car boot storage or travel
- **User-Centric Accessories:** Secure zippered storage bag with 5kg capacity
