

PAWS - Accessories

- **STORAGE BAG** Secures firmly with velcro fasteners. Zip top and side pockets keep valuables safe and essentials close to hand.
- **STORAGE BASKET** Easy clip on and off basket that allows you to load up for your trip. With sturdy heavy gauge steel rod construction, it is dip coated to prevent corrosion.
- **PHONE HOLDER** Allows phone to be safely stored and visible when in use. Facilitating hands free functions such as navigation.
- **SMART TYRE INFLATOR & PHONE CHARGER** The mini compressor with rechargeable battery can automatically inflate tyres to specific pressures and offers USB charging for other devices.
- **QUICK SWAP BATTERIES**
 - **Lithium Ion Battery Pack – 11.6AH – WCA872220** Secured under lock and key, the powerful lithium ion battery packs can be conveniently swapped avoiding the need to wait for charging. Full charge time is 5 hours and each has an inbuilt charge indicator.
 - **Lithium Ion Flight Battery Pack – 5.6AH – WCA872230** Air travel is possible with the optional Flight battery. IATA approved for travel on passenger planes, this smaller battery pack meets the maximum power levels allowed by commercial carriers.
