

Aspire Aerolite Carbon Fibre Powerchair

The AeroLite Powerchair is light... VERY light. The modern carbon fibre frame is so light that it is a cinch to fold, lift and carry, to easily load into a car or to store when not in use.

AeroLite's lithium-ion batteries are approved for air travel and yes it comes with two of them! Perfect for taking you further for longer outings with no airport stress and less hassle and worry about battery charging down-time.

Intuitive joystick control, contoured comfort seating and puncture-proof tyres make for confident travel on different surfaces, indoors and out.

The AeroLite makes everyday life easier for users and carers alike.

- Side Folding Design: Ideal for travel and easy to lift into the car
- Tool-free assembly and disassembly make setup quick and hassle-free
- Two lithium-ion batteries are included as standard. IATA-approved for air travel**
- Low-maintenance, puncture-proof solid tyres let users travel confidently on different surfaces.
- The intuitive joystick simplifies navigation, reducing strain and promoting greater comfort and efficiency in daily activities.
- Flip-up footplates improve transfer safety during seat entry and exit.
- Anterior Seat Height - 480 mm.
- Posterior Seat Height - 440 mm.

Warranty Information

- Frame - 2 Years
- Components - 1 Year
