Folding Lightweight Design

Easy to transport and store

Swing-In/Out, Height-Adjustable & Removable Foot Rests

Facilitates user transfers and allows for optimal positioning based on the user's changing needs

Strong Nylon Upholstery

Durable fabric with a comfortable cushion and padded backrest. A padded overlay is available as an accessory for additional comfort

Height-Adjustable & Removable Armrests

Provides versatility and comfort for different users

Depth-Adjustable Seating with Rear Angle Adjustability

Allows for accurate positioning and customisation to enhance user comfort

Quick-Release 20" Solid Rear Wheels

Wheels can be easily removed to reduce the chair's weight for easier transport and storage
