

Lima Scooter

Medium Pull Apart

Versatile, Portable, and Designed for Everyday Independence

The medium-sized mobility scooter that strikes the perfect balance between portability and performance. It disassembles into 5 easy-to-lift pieces for simple transport and storage, while offering the stability and range needed for daily outings. Ideal for shopping trips, social visits, and short outdoor journeys.

Lightweight Pull-apart Design

Aluminium frame breaks down into 5 compact parts for easy transport and storage in car boots, with a 13.7kg heaviest part.

Freedom to Explore

Long distance lithium-ion battery offers 39 km of range allowing users to travel further with confidence.

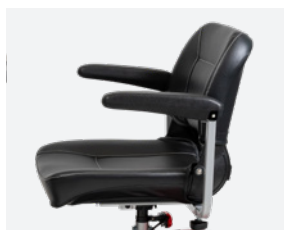

Compact Turning Radius

Class-leading 1450mm turning circle and short wheelbase helps navigate tight spaces.

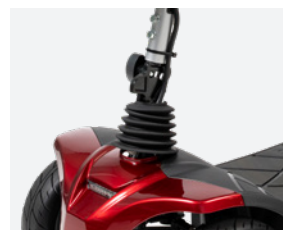

Safe and Reliable Handling

Electromagnetic brakes ensure safe stopping at all times stops without frequent repositioning or reversing.

Comfortable Access and Transfers

Swivel seat and flip-up armrests make getting on and off the scooter simple and convenient.

Adjustable Tiller

Allows the steering column to be set to the user's preferred position for comfortable driving.
