

# NEW PRODUCT LAUNCH

## Teal Mental Health Furniture Range – Now Available!

We are excited to share that Aidacare has secured exclusive distribution rights for the Teal Mental Health Furniture Range from the UK. This innovative and versatile collection is crafted specifically for mental health environments, offering premium-quality, weighted furniture solutions that prioritise safety and comfort.

The Teal range empowers Aidacare to deliver comprehensive fit-out solutions, whether for new construction projects, furniture replacement programs, or individual unit sales. We will be maintaining a selective inventory, with a focus on showcasing the range through product demonstrations in our Display Locations.

**Features and Benefits** - You can find detailed information on the features and benefits of each product in the individual flyers attached to this release.

### Product Range
