The following items have been clinically recommended for the DVA client's continued safety and independence.

These items will be installed by tradespeople on behalf of, and at the cost of, DVA, provided DVA approves the modification.

The specifications listed are not to be changed without prior consultation with the Occupational Therapist and DVA.

Unauthorised changes may result in the negation of DVA's responsibility for payment.

When no longer required, these modifications will remain as fixtures in the premises and I agree not to seek financial assistance for the restoration of the property to its former state or for ongoing maintenance costs such as annual inspections/registration costs.

DVA will not approve work that is deemed to be maintenance, e.g. replacement of rotting joists, etc.

When a General Power Outlet (GPO) is required for a major home modification, DVA will be responsible for the installation however DVA will not fund any wiring improvements to ensure compliance with current electrical standards.
