Aidacare works closely with Pride Australia to offer a comprehensive line of mobility products to help our customers lead the most active, independent lifestyles.

- Pride Scooter products are all registered in the ARTG
- Please always read and understand your owners handbook before operating your new mobility scooter
- Please take care to observe safety and the speed limit requirements of your state

- Comfortable front-mounted post seat
- Back-lit battery gauge on monitor
- Front basket as standard
- Sleek & sporty design
- LED headlight, tail light and indicators on some models
- Low profile, puncture proof tyres or pneumatic tyres

SAFE USE VIDEO

There are a few safety considerations we'd like you to understand before operating your device. We strongly recommend all new mobility device customers watch our 7 minute YouTube video, 'Getting to Know your Power Mobility Device'.
