HIGH-PERFORMANCE RELIABILITY

Custom: Handcrafted vertical rail maximises open space by precisely following every angle and serving as the foundation for an ultra-smooth ride.

Easy to Use: Sit down, clip belt and press armrest control to glide up/down stairs. Wireless control also comes standard.

Weather Resistant: Marine-grade vinyl, durable outdoor paint and lightweight waterproof cover provide year-round protection.

Safe: Seat swivels up to 90° at top landing for safe exit away from stairs. Retractable seat belt and safety sensors further peace of mind.

Comfortable: Generously sized seat is adjustable in height. Footrest height and space between armrests are also adjustable.

Dependable: Battery-powered operation ensures performance, even in the event of a power outage.
