

FEATURES & BENEFITS

- **Nesting Base Design** - minimises stacking and storage space.
- **Sturdy Cast-Iron Base** - extremely stable to accommodate a full load of PPE items ready to dispense.
- **Mobile Storage for key PPE** - ensures items such as sanitizer, wipes, gowns, masks and gloves are readily available wherever required.
- **Castors** - 5 x 75mm castors for ease of movement with 2 x total locking, to secure in place when not in use.

1 YEAR WARRANTY
